### Christmas Share at MAM

Planning is underway for the **Memorial Assistance Ministries (MAM) Annual Christmas Share** Program for children. The families we serve struggle to provide food and basic necessities for their children often without enough funds leftover for rent and utilities. During the holiday season, we also want to bring the joy of Christmas to the children of these families. During December 2011, our goal is to provide a bag of toys for 500 children ranging in age from newborn to age 16. This year we will also provide a twin size blanket for each child in addition to their toy bag.

#### MAM Christmas Needs:

New Toys

New Twin Size Blankets

New/Gently used Children's books

### Star of Hope

**Star of Hope** is a Christ-centered community dedicated to meeting the needs of homeless men, women and their children. Positive life changes are encouraged through structured programs which focus on spiritual growth, education, employment, and life management. Our clients have experienced many losses. We work diligently to stand in the gap for them, supplying the things they can no longer provide for themselves, until they are back on their feet, again.

#### Star of Hope Critical and Urgent Needs
