THE POWER OF GIVING

Fund For Excellence - The Power of ONE!

YOU can make a difference. WE can make a difference. It all begins with the Power of One!

What is The Fund for Excellence?

The Fund for Excellence is the Annual Fund campaign for Holy Spirit Episcopal School. As in years past, the campaign seeks gifts from parents, grandparents, alumni and parents of alumni, members of the Board of Trustees, faculty, staff and friends of Holy Spirit Episcopal School. All gifts are unrestricted contributions for the sole purpose of supporting the operations of the school.

Why should I contribute?

Making a donation to the Fund for Excellence, at any level, shows that you believe in the mission of HSES and all that it offers the children. Parents have a vested interest in the success of their child's school; donating to the campaign which benefits the school in the most direct financial way exemplifies that vested interest.

What is the goal?

The 2010-2011 Fund for Excellence is \$175,000. We need every parent, board member, faculty and staff member to contribute to meet this goal. Each gift to the Fund for Excellence is important regardless of how large or small. Holy Spirit Episcopal School relies on each family to give, as it will take 100% participation to reach our goal.

Our Mission:

The mission of Holy Spirit Episcopal School is to provide a unique and outstanding high school preparatory education, which combines the best traditions of learning with relevant and contemporary programs that promote excellence in scholarship, richness of soul, Godly character, and physical well-being.

Our Vision:

Holy Spirit Episcopal School strives to be the premier private school in West Houston. Holy Spirit Episcopal School will be recognized for developing children of high intellect and character by unique enrichment program offerings, and a global perspective on learning.

The Annual Fund bridges the gap between tuition and the actual cost to educate a Holy Spirit student. The Annual Fund allows Holy Spirit Episcopal School to maintain the highest quality programs, while keeping tuition levels competitive with other area schools and accessible to more families, thereby allowing us to recruit the most qualified students regardless of financial ability. This includes the best teachers, small class sizes, outstanding technological resources and exceptional arts and athletics.

The Fund for Excellence is the core fundraising activity that provides an immediate and effective impact upon Holy Spirit Episcopal School.
